Educational Audience:

This program will provide education for physicians, faculty, medical students, nurses, other healthcare and rehab professionals, administrative staff, and interested members of the general public.

IPCE CREDIT™

Designation of Credit

This activity was planned by and for the healthcare team, and learners will receive **1.00 Interprofessional Continuing Education (IPCE) credits** for learning and change.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Joint Accreditation Direct Accreditation Statement

In support of improving patient care, Trinity Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Objectives:

- Identify predisposing factors to adhesive capsulitis.
- Discuss exam maneuvers consistent with adhesive capsulitis.
- Discuss efficacy of interventional approaches for treatment of adhesive capsulitis.
- Identify utility of musculoskeletal ultrasound of the glenohumeral joint.

Dr. Brian Brewer is a staff physician at the University Health Center. He joined the health center after completing his Primary Care Sports Medicine Fellowship at the University of Kentucky. Dr. Brewer is a graduate from the University of Georgia with degrees in Biology, as well as Exercise and Sport Science. After undergraduate education, Dr. Brewer transitioned to the Medical College of Georgia at the AU/UGA Medical Partnership. As a triple Dawg, Dr. Brewer completed his residency training with AU/UGA Medical Partnership at St. Mary's Health Care System. His interests are sports and wilderness medicine.
